Dr. Muhammad Ashfaque Arian
Dr. Arian is board certified in internal medicine. His primary focus is Endocrinology, Diabetes and Metabolism. He has worked in approximately a dozen cities during his career in countries as diverse as Nigeria, Pakistan, Saudi Arabia, and the United States. Dr. Arian aims to provide the latest comprehensive therapies for endocrine disorders. He is informative and motivates patients to be an equal partner in the decision making process.

Dr. Allassia Burns
Dr. Allassia Burns earned her medical degree from the University of Texas Health Science Center in her hometown of Houston, Texas. She completed both her internship and residency at Morehouse School of Medicine in Atlanta, Georgia. She practiced general internal medicine at Austin Diagnostic Clinic in Austin, Texas for 5 years. Her interest in the management of diabetes resulted in her pursuing an endocrinology fellowship. She completed her first year at Tulane Medical School but, due to Hurricane Katrina, she completed her second year at the University of Texas Health Science Center in Houston. Dr. Burns is a member of the American Academy of Clinical Endocrinologists, the American Diabetes Association, and the Texas Medical Association. She has a great interest in the management of diabetes and the prevention of complications associated with diabetes.

Dr. Markus Giacomuzzi
Dr. Giacomuzzi is board-certified by the American Board of Podiatric Surgery and is a fellow of the American College of Foot and Ankle Surgeons. He is on the staff at Bay Area Regional Medical Center, Christus St. John Hospital, Bay Area Surgery Center, Clear Lake Rehabilitation Hospital, Kindred Hospital, and Clear Lake Regional Medical Center. His areas of specialization include reconstructive foot and ankle surgery, sports medicine, diabetes and diabetic foot complications as well as all pediatric foot conditions. His philosophy is to actively involve his patients in their own healthcare to achieve optimum outcome.

Dr. Patrick Briggs
Dr. Briggs is board certified by The American Board of Podiatric Surgery and is a fellow of the American College of Foot and Ankle Surgeons. He earned his Doctorate of Podiatric Medicine from the California College of Podiatric Medicine in San Francisco, California. He has staff privileges at Clear Lake Regional Hospital, Southeast Memorial, United Surgery Center, Kindred Hospital, Bay Area Surgery Center, and Bay Area Regional Medical Center. He specializes in all aspects of foot and ankle surgery including reconstruction, flattfoot, pediatrics, trauma, sports medicine and diabetic complications. Dr. Briggs has a passion for practicing cost effective, evidence based, and compassionate medicine. In his spare time he enjoys competing in triathlons and playing golf. He also loves traveling and photography. Dr. Briggs is excited to be back in Houston and a member of Texas Gulf Coast Medical Group.
